Mr. John Gambling
Production Director
Radio Station WDBS
Hanover, N.H.

Dear John:

I was sorry to hear that you were unable to get together with WXPW on the exchange of transcribed interviews.

I also noted with interest your statement that you do not have an interview program. We have found ours to be saleable, a consideration not to be neglected. Besides that we consider it a delightful relief from transcribed music.

I think it would be better if you could make the ET which you plan to send us towards the beginning of the week in which we intend to use it on the air. I am sure the Yale audience would be interested in some comments on your game with Harvard on October 22nd, and anything we can throw in on Holy Cross might prove informative to your listeners. If the ET's don't arrive on time we can simply sue the government.

I'll be looking forward to seeing you the Dartmouth weekend. If you need someplace to be poured into at the end of the evening, let me know.

Cordially yours,

HE

Howard Eaton, Jr.
Ass't. Program Director
